

2024 CAPITAL GAIN

DISTRIBUTION ESTIMATES

AS OF OCTOBER 31, 2024

The distribution amounts shown below are **estimates** for the fiscal year ending October 31, 2024, and **are subject to change**. It is possible that **significant** adjustments could be made to these estimates prior to the Ex-Dividend Date referenced below. Between now and the Ex-Dividend Date, additional capital activity has the potential to materially affect the final distribution.

Various Transamerica Funds will also be making routine income dividend distributions, but we do not provide estimates of those.

If you own shares of any of the Transamerica Funds listed in the chart below as of the Record Date with a Total Capital Gain per Share greater than zero, we expect you will receive a Fund distribution. The Funds will publish the actual distribution rates by the Ex-Dividend Date. Actual distributions will be confirmed to shareholders and financial professionals on fourth quarter investor statements mailed in January 2025.

As always, distributions may be viewed on or after the payable date at www.Transamerica.com.
